# ROADSIDE CLEANUP SET FOR MAY 9TH

Volunteers are needed, especially volunteer drivers, for a massive road-side cleanup being planned for May 9th.

The effort is being sponsored by the Wilmington Chamber of Commerce, and is under the direction of Frank Tuttle of Carson Avenue. Mr. Tuttle, an amateur botanist and a Scout leader for 20 years, is the man who classified the ferns of the Town Park, last fall.

The drivers are needed to take the hundreds of youngsters who have volunteered, to their assigned posts, on May 9th. Boy Scouts of four troops, Girl Scouts and School youngsters already have their names on the list, and the list is growing.

The Town of Wilmington will co-operate, by using Highway and other trucks to pick up the debris. The debris, after being raked up, will be placed in 'rubbish bags' being purchased by the Chamber of Commerce.

Mr. Tuttle has divided the town into six sectors, using the same means used by the Council of Churchs in a recent census of the town for religious purposes. A captain has been named for each of the areas.

Arthur Keefe Jr., of 333 Burlington Avenue is one of the captains, and others are Miss Ellen LaFolette of 875 Main Street, Raymond McNamara, 50 Middlesex Avenue, Fred D. Cain, of Cain's Garage, Bruce MacDonald (chairman of the Board of Selectmen, and Larz F. Neilson of the Town Crier. Each will have a headquarters in their home or office for the drive, with Mr. MacDonald having headquarters in the Town Hall.

No Household Items

The drive is to clean up the roads and roadsides, which have become cluttered with discarded cans, bottles and other debris. All the plastic bags are to be taken directly to the Town Dump by the town trucks, which will be in charge of Robert Palmer, Superintendent of Streets.

Monday Meeting

Mr. Tuttle, officials of the cleanup, andmembers of the Wilmington Chamber of Commerce are to have a public meeting next Monday at 8 pm., in the Conference Room of the Public Library for the purpose of discussing the plans with volunteers, and of furthering the plans for the Cleanup.

The purpose is to have a Clean Wilmington, for Memorial Day.

Everyone will be welcomed, Mr. Tuttle says.

Dr. Ranendra Nath De, a native of India, lives with Mrs Ethel Clinch, at 69 Chestnut Street and, in a sense is Wilmington's latest adoption. He is a member of the Lions Club, and was a guest of the three clubs, last night, in the K of C Hall.

A native of Pabna, India, Dr De arrived in the United States last October having resigned from his post as a Veterinary Assistant Surgeon in Panchla India, hoping to find better prospects in the United States. In some ways he has been disappointed.

Through the American Vterinary Association Journal, Dr De began to correspond with Dr Harvey Skolnick of 15 Burlington Avenue. He is responsible for bringing Dr De to Wilmington and provided him with a home for a month. Dr De will 'never forget the kindness' shown to him by Dr Skolnick.

The Town Crier had an error in the March 26th edition when it was said that Dr De works with Dr Skolnick in the animal hospital on Burlington Ave. Dr De has only observed in the hospital.

Born in Pabna, India, which is now East Pakistan, Dr De attended the Scottish Church School in Calcutta where in 1959 he graduated with the equivalence of a high school diploma. From ther he attended the Scottish Church College where he took a pre-veterinary course. After earning his veterinary degree from Bengal Veterinary College in November 1967, he worked in the Panchla Community Development Block as a Veterinary Assistant Surgeon. Large animals, mainly cattle was his practice. He resigned from his post to seek better opportunity in the United States.

His ambition is to get a Master's degree in Veterinary Sciences, and even hopefully a Ph.D. Disappointment came for Dr. De when he found out that financial aid for foreign students has been cut. He attributes this to the Vietnam War. Dr De had written numerous veterinarian colleges across the country in search of some aid, but thus far, he has no concrete hope of obtaining any.

Presently Dr De is a production worker for Sweetheart Plastics. He hopes now to earn the necessary funds for his Masters Degree.

When asked what he thought of the United States and particularly Wilmington, a smile crossed his face. He said that he found the people in Wilmington to be very friendly and helpful. He has found that people work hard, especially the housewives to meet the 'expenditures of the luxurious life' that they lead. In India, the housewife still remains primarily in the home, and such luxuries as a czr, TV, and refrigerator are not found in only in the homes of the rich. One point that Dr De made was that in India there was no tax on manual labor. He was impressed by the Town Meeting and commented on the enthusiasm that the people showed for the budget, even at such a late hour as 11:00 pm

## Police Break Marijuana Ring

Federal and Wilmington Police combined forces Saturday morning, in a raid on a Silver Lake area home, which ended in the arrest of a Wilmington husband and wife. The husband was arrested on a Federal Warrant, charging him with conspiracy to violate federal narcotic laws, and the wife was arrested on a Wilmington warrant, charging her with being present where narcotic drugs were found, and possession of narcotic drugs.

The arrests were part of a greater effort on the part of the State Police and federal authorities. A raid was held simultaneously in Medford, where over 100 pounds of high quality marijuana were said to have been seized. A serviceman stationed in Vietnam has been indicted in connection, following a secret Federal Grand Jury action.

The Wilmington raiding party was in charge of Chief of Police Paul J. Lynch and Detive Sargent George Shepard. Taking part in the raid and arrests were Inspectors Ballou and Harvey of the Detective Division, and Sgt. James Palmer, with Officers Lynch, Burke, LaRivee and McKenna.

The Wilmington police had been aware of the activities going on, they say, since June of last year, but it was not until this time that the police had sufficient evidence to move forward with an arrest.

The wife is out on bail pending trial in Woburn Court, and the husband is free on bail pending a trial in a Federal court.

# Planning Board seeks Volunteers

The Planning Board of the Town of Wilmington is about to start the formation of a Citizens Planning Advisory Committee (CPAC) in connection with the 701 Studies which have now been going on for the past three years.

Mrs Madelyn McKie, former chairman, is to head up the work for the formation of the committee.

The committee is to be representative of all the residents of the town. The Planning Board is seeking for volunteers, to take part.

The purpose of CPAC is twofold. It provides the voters with an opportunity to establish the priorities, and to participate in the effectuation of the Master Plan, and in addition it provide the Planning Board with a forum with which to advise the voters of the town of the components of the Master Plan, and thereby gain the direction and support necessary for the various programs.

The Master Plan Studies, paid for in part by some of Wilmington's industries, and in part by the town and the federal government, is a survey of the town, with particular emphasis on the future of the town.

The CPAC is most important in the planning proceedure. A Master Plan lacking citizen support will probably be shelved by the voters, only to gather dust and represent a waste of tax money. Since the emphasis on town planning is on the Master Plan, it is essential that those persons who participate be interested in the over-all picture.

A tentative schedule of the matters to be considered, as presented by Mrs McKie to the Planning Board, includes:

1. A Brief History of Planning; 2. Planning in Wilmington; 3. The Master Plan, 4. Flood Plain Zoning; 5. Zoning Concepts, old and new; 6. Park and Recreation Plans; 7. Municipal Services; and 8. Capital Budget Program.

The CPAC will become involved in many aspects of Town Planning, and will be active over an extended period of time. It is vital that the participants have a comprehensive, rather than a special inrerest; since a prolongued period of involvement can be expeected.

An organizational meeting is tnetatively planeed for the 23rd of Aprril, at 8 pm in the Conference Room of the Public Library.

Wilmington residents who may care to attend are being asked to send their names to the Planning Board before their meeting on Tusday, Aprril 21st.

Other Business

The Planning Board, Tuesday night, approved of the release of the New Jackson Park, at the end of Shawsheen Avenue near the Billerica line, to the Jackson Brothers.

A $65,000 bond has been deposited with the Town Treasurer to guarantee the construction of facilities. Two lots of the proposed real estate development were restricted by the Wilmington Board of Appeals, for being under-size, after the Jackson Brothers had agreed to give the land near the Shawsheen River to the town. The Planning Board plans to consult with the Board of Appeals, to explain the situation, and hopefully get the ruling reversed.

Town Engineer Arthur Harding reported to the Planning Board that the Reading Municipal Light Department plans to install an underground power line, on West Street, as far as Suncrest Ave. The new power line is to come from the new power station being erected just over the Reading

line, in Reading.

Chairman Bill Hooper reported that the Town Manager has told him the Selectmen want a joint meeting, next Monday, to discuss apartments, and other matters.

The Planning Board will not be able to attend, because of scheduled hearings.

The board forwarded to the Town Manager a new contract for Professor Charles Eliot, to be reviewed by him, and then negotiated with Prof. Eliot.

A long discussion was held concerning plans submitted by developers and others. The Planning Board works on plans on the second and fourth Tuesdays of each month, and would like to schedule them for that time. The problem is how to tell developers, etc. By law they can submit at any time, particularly if they do so by mail, and the plans must be considered within 14 days

Letter

A letter was received from the Chamber of Commerce, concerning Flood Plain Zoning.

## V.D. PROGRAM FOR HIGH SCHOOL

That fourteen and fifteen year-old youngsters should need to know the facts about veneral disease is profoundly disturbing, but the American Medical Assocation reports that every day 1500 U.S. teenagers and young adults are infected with veneral diseases. Yet, when 600 teen age V.D. victims were quizzed in New York, over 90% showed virtual ignorance of the facts about veneral disease.

And adults know little more. 'For this ignorance we pay a terrible price' says Dr. William Brown, Chief of the U.S. Public Health Service V.D. Branch. 'Once many thought that penicillin alone could stop venereal disease. Today we know that it will take a liberal dose of public knowledge as well'.

In 1963 President Kennedy appealed to Congress and the nation to stop the epidemic. Public Health officials were asked to tell the V.D. story and they concluded that the place to start was in the schools.

In conjunction with this plea, the Wilmington Public Schools, as part of the Family Living Program, will preset a program on venereal disease to the High School students so as to better inform them of this nationwide program.

The Massachusetts Department of Public Health, Division of Communicalbe Diseases lectures to groups in the Commonwealth on the problems of venereal disease. This program is to be presented in the High School.

Mrs S. Reamer, Public Health Nurse Advisor/Specialist is to speak to the High School students and their parents on three occasions next week.

On Wednesday, Thursday and Friday, April 15, 16 & 17, at 9:30 am the program will be presented in the Herbert C Barrows Auditorium and Mrs P A Gagnon, Chairman of the Family Living and Sex Education Program of the Wilmington Public Schools has expressed a hope that many of the parents can attend. Because of the large number of high school students, the program is being scheduled over the three day period.

During the program a film, ***Quarter of a Million Teenagers***, is to be shown, and there is to be a question program at the end of the film and lecture.

PROJECT FOR COMMUNITY

Dear Citizens:

We the students of 8/6 at the North Intermediate School of Wilmington, would like to bring to the attention of this community, a campaign which we have under taken.

We hope to receive your cooperation in bettering our (YOUR) community and environment. The only way this can be done is through your unanimous group effort and participation.

We have organized a committee of the members of 8/6 to start ridding this Town of the rubbish and debris which has been accumulating for some time.

This does not only involve private property but also our roads, public recreational areas and waterways.

Posters have been made and will soon be seen in public places throughout the Town.

REMEMBER: Mankind must put an end to pollution, or pollution will put an end to Mankind

We would appreciate your submitting any suggestions to help in this Project on or before April 17. Please address letters to:

Miss Gayle Given
Mystic Avenue
Wilmington, Mass

Dear Larz:

Due to the amount of discussion at the last Town Meeting with regard to the Veterans Organizations in this Town, We, the Wilmington American Legion Post #136, wish to invite the Officers of these various groups that have been on record of being against the Veterans to our next Hospital Party to be held at the Bedford Hospital.

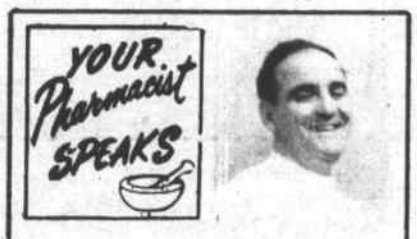

Normally we do not advertise our activities, but due to the increased publication of these groups against the Veterans, we feel that we should strive to enlighten these people to some of the facts.

These Groups that we are referring to are the League of Women Voters, the Jaycees, and the Finance Committee.

The hours that we can hold these parties are from 7 - 9 pm We will meet on April 22nd at 6:30 pm at the American Legion Post on Middlesex Avenue

Hoping that these Groups will take this opportunity, we stand ready any evening to forward additional information in regard to this or other of our Projects.

Before the middle of the 19th Century, no one knew anything about either antiseptics or germs

Roughly half the people operated on, died, because their wounds became infected. In the 1860's, Pasteur discovered that things spoil or decay because of organisms getting into them.

Joseph Lister, an English surgeon, hearing of Pasteru's work, wondered whether germs could be getting into wounds and infecting them. He tried using carbolic acid to keep germs out.

The results proved that the idea was a promising one.

The time of safe, antiseptic surgery had begun.

# Selectmen's Meeting

Selectman James Banda was a worried man at the Selectmen's Meeting on Monday night. Atty Charles F Peoples, representing the Jack-in-the-Box, has been granted a common victualers license but what concerned Banda the most was the embarassing position the Board faced of voting license for a building that was already built and which the Board opposed, but by law could not deny.

Peoples reiterated much of what he had said at last week's meeting. He said that every single requirement in the law of the Town of Wilmington had been met by them--the building was complete, and even Wilming ton people had been hired to work at the Jack-in-the-Box. It was ready to open on a day's notice. In all 'fairness and equity', Peoples said, the license should be granted.

The Board had voiced opposition for the permit, because of traffic problems which would be created by the business.

Selectman Miceli quizzed Peoples on the amount of time it was supposed to take to get in and out of the Jack-in-the-Box. Peoples said no longer than three minutes. Miceli told that he had been to Stoneham to the place there and he was fifth in line. It took him eleven minutes, instead of three. Peoples replied that training was still going on in Stoneham, and thus the delay

Miceli added that in his opinion the Town interest must come first Peoples asked Miceli if this would be true even when a company is entitled to a license? 'Nope' Miceli replied, 'not when it is in the Town's best interest.'

'What if it is legal?' Peoples asked. Miceli responded that 'We may have a different legal opinion.' Peoples cleared the air saying he was not criticizing, but certain matters reach a point where legal rights dominate, and it seemed to him, that in this case, the point had been reached

Several moments of silence ensued.

Banda broke the silence. He said the Board was in a 'tough position', which he did not like but, under the circumstances, what could they do. Jack-in-the Box, had met all of the necessary requirements, and in his opinion could not be denied the license

Banda had hoped that a site plan for a building could come before the Board first, before other Town officials could rule. The Board could then decide before construction began, whether they could permit a victualer's license.

A similar motion had been discussed earlier. Action on plans for Astrodine and Heap Big Beef was tabled until after a decision was made on the Jack-in-the-Box. (The Astrodine is situated in the location of the old Waltham Door and Window and Heap Big Beef is proposed for the Wilmington Shoe Center site and will seat 45)

Banda urged the Board to decide on licensing and Miceli moved that they go on record as opposed and that the proponents be made aware of it.

Backman wanted to know why an unofficial notice had not been sent to Jack-in-the-Box to forewarn them. Banda pointed out that he had yet to see a license denied after it had come before the Board if all previous requirements had been met.

Peoples stated that if Jack-in the-Box had been warned, they would not have built. He urged the Selectmen to adopt a site plan method. In his experience the Public Works Dept or engineer approves the plan before the Selectmen consider it. In some instances, a public hearing is held.

Alan Altman, the Town Counsel had offered an opinion and Miceli quoted the end of the letter when Altman stated a mandamus would not be successful against the Selectmen.

Peoples indicated that Altman had stated that a common victualers license is 'subject to sound discretion of the Selectmen applying reasonable and nondiscriminating standards'. He said the Town had no such standards presently and none were published by the Town that could be studied in advance.

Miceli retorted he was 'talking about common sense'. Peoples asked whether a citizen has the 'right to know on what standards he is to be judged'. Miceli said the guidelines were in their minds and that DeMoulas was now creating traffic problems. Peoples asked who was wrong, DeMoulas or Jack-in-the-Box. Miceli said DeMoulas was ther first. He then moved the license be denied.

After a short pause, Mrs Drew seconded it. The vote was 3 to 2 with Drew and Miceli opposed

After the vote, Banda moved the Board meet with the Planning Board, Building Inspector Borad of Helth and Town Engineer to form some zoning regulations for Main St as precautionary measures.

Backman said Jack-in-the-Box should not bear the burden of the laxity of the Town and Miceli said he had 'No sympathy for Big Business'. Banda, returned to his motio and requested a date be set, next Monday if possible for the Board to meet with the Town officials.

Chairman MacDonald said he was inviting the Planning Board for next Monday anyway because he wished to discuss the regulations on gas stations in some areas.

Miceli's motion to go on record as opposing new site plans and the proponents be made aware

SELECTMEN
(Fr. Page 4)

of the Board's opposition was approved.

Miceli told Peoples that no positive motion had been made to permit the license, just that one to deny the Jack-in-the-Box had failed. Banda moved to grant the license, with Backman seconding. A 3-2 vote in the affirmative was cast with Miceli and Drew opposed.

Taking his leave, Peoples promised the Board a copy of the Zoning Regulations in Stoneham which he had helped draft.

Redevelopment Authority

Ray McNamara and John W Mc Cann, atty, for the Redevelopment Authority appeared with papers for the project to be approved by Town Counsel.

Drainage

The Board voted to take care of the Drainage on Hanson Rd Richard Stosez said that the culverts needed maintenance.

Taplin Avenue was last on the agenda. Miceli said the street was under water because of a land fill operation that took place without a Hatch Act Hearing.

He suggested a letter to the contractor and that the problem be worked out between the contractor and the people. He also said the Selectmen should sit in on the meeting Chairman MacDonald requested Miceli be in attendance.

Banda asked why the owner of the land was not contacted. Miceli said the owner should be kept out of the problem as he did not have the resources. He asked for a week to work on it Chairman MacDonald noted that the Dept of Nat Resources had been notified on Friday.

A resident of Hobson Avenue spoke up to say if the contractor ffiled the land, he then would be flooded. Banda said this was exactly his point. MacDonald ended the discussion there.

Appointments

The board reappointed the outgoing members of the Board of Appeals, the Permanent Building Committee; the Registrars and the Constables and Town Accountant to a successive term

They also voted the Drug Committee set up by the Annual Meeting. It's members are: James Durkee, Chairman of Public Hlth George Mosher, Joe Beaton Jr Les White, Chairman of Fish, and Claire Cabrell.

A Hatch Act Hearing for the Jackson Brothers was set for April 13.

The Annual Poppy Drive was voted for the American Legion Auxiliary for Apr 30, May 1 and 2.

An invitation to the Board was read for the 195th Patriots Day Parade on Apr 19 at 1:30 in Concord and the Memorial Veterans Day Parade on May 25 in Wilmington, and an invitation to the Mid Cnty Sel Assoc to be held on April 15 at Alphonses Powder Mill.

New Business

TM Sterling Morris said he would have the Town Meeting Business cleaned up soon, and then would look into the insurance of the Town. He also said he would hire an engineer for traffic control study this week.

Permission was granted to the Chamber of Commerce and Conservation Commission to use two telephones in the Town Hall on their Clean Up Day on May 9

The Board moved to revoke 10 licenses of the Webtex Co for storage, and notify the Stevens family Trust and notify the new company they should apply for any storage necessary for their operation.

The TM will take action this month on lights for Federal St

Fred F Cain, Representative urged the Board to appropriate the use of the $99,000 in the Nichols St Bridge Account for anything, even sidewalks to the school. This must be used by the end of 1970 in order to leave in the account.

The Board went into executive session at 9:50 pm

GENEALOGICAL STUDY CLASS ON APRIL 15

Raymond J. Tarte, of Ashland, the instructor of the Geneology classes there, and the Librarian of the Boston Branch Geneological Library is to be the speaker at the regular meeting of the Geneology Study Class, to be held at the Chapel of the Church of Jesus Christ of Latter Day Sainst, 70 Concord Road, Billerica, on April 15, at 7:30 pm.

Mr. Tarte is to speak on How to Start your Family History. He will tell how to trace your family history, and how to record the information, once you have it. He will also tell how the Boston Branch Geneological Library may be used. It is a branch of the Geneological Society of the Church of Jesus Christ of the Latter Day Saints, and has over 700,000 rolls of microfilm which the Church has on Vital Statistics. The library is located in Weston, Route 30, and Brown Street, and is open Wednesdays, 7 to 10pm and Saturdays 10 am to 2 pm.

A movie is to be shown describing the huge granite vaults, in the side of a mountain in Utah, where the Church of Jesus Christ, Latter Day Saints, has its microfilmed records of Vital Statistics of the church, gathered from all corners of the world. Further information may be had from Hugh A Forreset, 658-4849

Well, this Chick blooped again It seems like that the afghans from the Gal Scouts were three in number instead of two, and Flo Rinker wasn't the only one that crocheted - the other leaders of Troop 215 did also - that is Shirley Spear and Shirley Chester, and the Girls provided the yarn. We understand that they worked for the money too! Well, anyway, believe me, girls they are much appreciated and we wished that everyone had your spirit.

You aren't letting me have em girls - that is, you aren't letting me know when your relative or friend goes to the hospital Only two this week: Walter Thompson is still at Tewksbury Hospital, but much better; and Liz Andersen of Lowell St is sojourning at the Winchester Hospital with spurs in her neck or something like that, but it does mean an operation, so let's get the cards going, there, Gals! And more power to you...Good kids!

Jane Emery says the Coffee House will be open again at the Congo Church on Saturday from 8 to 11:30 pm with a local Rock Group playing and Francisco Rodriguez of the United Farm Workers Organizational Committee will be here to tell you about the latest conditions in California and the Grape Boycott. Scott Kavanaugh tells us that the new Coffee House Advisors are Bill and Ruth Ready from Wing Road and that he'll be with us in Wilmington another year. We believe that Scott is being married next month and Congratulations are in order, Are we right Scott? Anyway, best wishes

Dan Allan Jones of 36 Jaquith Road has just enlisted in the Navy for four years - so good luck, Dan and let us know where you are stationed!

S/Sgt Charles Bennett, who is the son of Merton Bennett of 78 Grove Ave has earned the Air Force Outstanding Unit Award He is an air traffic controller in the 1883rd and will wear the distinctive service ribbon. This is the fourth year the squadron has earned the award and is part of the AF Communications Service that provides global communications and air traffic control for the USAF.

At 6 pm on Sunday, a covered dish supper at the Methodist Church with a COCU Panel afterwards, with promise to be through by 8 pm. This is for Christian Unity and by the looks of the panel, a good many churches will be represented by the clergy and the people.

(P.S. COCU is Consultation on Church Union) Churches that are represented are Presbyterian, Methodist, Congregational Episcopal, Christian Church, African Methodist Episcopal and Christian Methodist Episcopal. Chairman for the area is Bishop James K Matthews of the United Methodist Church.

Did you know that Harold Walley and Tom Webber have been approved by the Gr Lowell Protestant Committee on Scouting for 'God and Country' Awards Working on awards for next year are David Allen, Dana McQuaid, Matthew Hooper, Bill Lamkin, John Arvanitis, Mike Tyner and Roger Stone.

Working on 'God and Community Awards' are Girl Scouts: Dianne Spear, Judy Lefavour, and Kiann Deschenes, and Camp Fire Girl, Norma Stone.

Sunday at St Dorothy's the Ecumenical Choirs are giving a concert at 3:00 pm. This should be a great musical opportunity

Those Tewksbury-Wilmington Emblem Club Gals have gone and donated to the Yarn Project with $15, $5 of which I understand Mary Ploude is responsible for. Thanks Gals, that gives us quite a boost. We donated 23 to wheelchair patients at the Tewksbury Hospital this week and have three almost ready. Meanwhile, we have lined up a new project where we can use all of you extra FISH volunteers and knitters, etc...all in one place. We are organizing that now and will let you know the details as soon as we get the moment to work it out! Get ready now!

Baseball Fans on Motorcycles? Bill and Charlie Ballou of the Competition Cycle Ctr on Andover St and 125 have a couple of tickets for the Red Sox Game on Tuesday against New York The tickets will be awarded to the winner of the drawing to be held on Saturday - Get up there and register, folks!

Talk about confusion. Try the Merri-Mac Cleaning Ctr in Town The drycleaning part has been sold, and now the people can't figure out who owns what. There is only one roof, but two businesses - laundramat and drycleaners. Watch it and don't take your dry cleaning to the laundramat, but also don't ask the drycleaner about the laundramat! Perhaps we'll get some new on what's what later on!

# Deaths

**ELIZA AMES DICKSON, FORMER AMES NEWS OWNER**

Eliza Maude Ames Dickson, formerly of Wilmington, died on April fifth in Greenwich, Connecticut, after a lengthy illness.

Mrs. Dickson was born in Tow Low, England, the daughter of the late Charles and the late Eliza (Marsh) Fletcher, eighty five years ago.

She had been the proprietor of the Ames News Store in Wilmington Center for many years and had resided on Church Street and Deming Way before taking up residence in Greenwich five years ago.

She was the wife of the late Joseph M. Dickson and is survived by her two daughters, Mrs. Virginia Heitman of Greenwich, Conn. and Mrs. Arlene Fuller of Bloomington, Illinois and her two grandchildren.

Funeral services were held at the W. S. Cavanaugh & Son Funeral Home, 374 Main Street on Tuesday, April 7 at 1 PM with Rev. Willis P. Miller of the United Methodist Church, Wilmington, officiating. Burial followed in the family lot of the Wildwood Cemetary.

**REGINALD TUCCI WAS FORMER RESIDENT**

Reginald E. Tucci, Sr., of 2 Dwight Avenue, Salem, New Hampshire died suddenly at Bon Secours Hospital, Methuen on April 2.

Mr. Tucci, who was born in Cambridge on April 15, 1918, was well known as a local businessman, having been self employed for 24 years, managing 2 service stations for the past two years. He was for many years the proprietor of the Atlantic station in Tewksbury.

A veteran of World War II, he was a member of the Salem, NH VFW Post and the Haverhill Chamber of Commerce.

Tucci is survived by his wife Elizabeth G (Reynolds), 3 sons Reginald, Paul and William and 3 daughters. Gale Nolette, Mrs. Donna Quickle and Miss Marlene Tucci.

The funeral was held from the J. B. McMahon & Son Funeral Home on Monday, April sixth, at 8:15 AM, followed by a High Mass of Requiem at St. Thomas Church at 9 AM with Father Parker officiating.

Burial was in the family lot at Wildwood Cemetery.

Pall bearers were Herbert Little, George Quickle, Jr., William Barow, Wayne Bemis, George Kenson and Herbert Rollins, Jr.

## High School Ski Club

The Wilmington High School Ski Club made its last trip of the season, Sunday, leaving at 7 am for Burke Mountain, Vermont. It was the fourth trip for the youngsters, two of them being overnight, to Burke Mountain, and Okemo, also in Vermont. The others were to Burke and Bromley. Besides the trips the students have viewed movies, during the year, demonstrating ski techniques. The members have summed up the year as being excellent, with excellent conditions on all trips.

Interest and skills have grown. Bill Cole finished a strong first, in a giant slalom race, on one trip to Burke, and other members of the club who did well at Burke were Jim Lynch, who came in 13th., and Bob Matarese, with came in 14th out of a field of 47 contestants.

These three, along with Walter Carney and Harry Latta were invited to compete in the Lowell Cup races, but due to previous ski engagements, could not take part.

It has not all been self-achievement, on the part of the students, for during their trips they have provided free lessons to novices during the early part of the day. This, they discovered, helped them to sharpen their own techniques.

All the trips for the club were at a 'reduced rate' for the members. The students feel that the ski club should be expanded, so that others in town could participate. They are wondering if perhaps the Recreation Committee of the town could provide funds to assist in the costs of transportation.

Another suggestion on their part is to incorporate the ski club into the athletice program of the high school. This would allow the members of the club to inter into competition with clubs from other schools.

There was only one minor accident, during the year.

Robert Cripps, faculty advisor, feels that this points out the value of a program which incorporates proper instruction along with recreational activities.

Planning for the future, the Ski Club is lookinging into the possibility of ski trips to Vail, Colorado, and Innsbruck, Austria.

Modern garden hoses will last for many years, if given a reasonable amount of care.

However, if abused, even the best quality of garden hose will have its life shortened so that complete replacement soon becomes necessary. To keep a hose from cracking prematurely, never kink or bend it sharply when in use or when storing it

Attach a swivel-type connector or angle fitting to the hose spigot if you frequently pull the hose off at a sharp angle from the faucet. This will minimize the danger of creating a permanent crease just below the fitting where the hose screws on the spigot. When winter, comes, drain all water from your hose and store it indoors in neat coils.

# Turn on the Middlesex Money Machine.

Yes. The Middlesex Money Machine.
Because, no matter which savings plan you choose, you always get more money out than you put in.

Take the **Regular Savings** account for example. Pays 4½% interest (the maximum payable by law on savings in commercial banks — as are *all* our rates). Compounded and paid quarterly. No notice of withdrawal required.

earn 5½% interest or two years, where the interest earned is 5¾%. They may be written for any amount, but with a minimum of $1,000. Interest is compounded quarterly.

Now the **Special Notice** savings accounts earn a higher rate of interest (5%), because you have to let us know 90 days in advance of when you want to withdraw your money. However, a minimum balance of $500 must be maintained, although additions may be made at any time. Interest is compounded and paid quarterly.

If you have both a savings account and a checking account at Middlesex, you might also like to open an **Automatic Thrift** account. We automatically transfer any specified amount ($10 and over) into your savings account from your checking account, at regular intervals specified by you. You can use this no-charge service with any type of checking account, and any type of savings account.

If you're a long-term type of investor who likes a guaranteed rate of return, you'll probably be interested in **Savings Certificates.** Savings Certificates are issued for either one year, where they

As you can see, the Middlesex Money Machine is as flexible and versatile as your savings and interest needs are varied.

Turn on the Middlesex Money Machine. It'll pay you to keep it running.

# STUDENT GOVERNMENT 1970

STUDENT OFFICIALS TAKE THE OATH OF OFFICE: In front of the Town Clerk, Mrs. Esther Russell. Front, L to R: Wally Neal, Tom Beaton, Billy Irwin and Jim Lynch, all of the Recreation Committee. Rear: Harry Landers, Fire Chief; Billy Jensen, Town Manager; Mike DeGregario, Recreation Committee, and Bobby Ballou, Selectman

SCHOOL COMMITTEE MEMBERS INSPECT WOBURN STREET SCHOOL: As guests of Miss Dorothy Nylin, Principal; Front, Joyce McIver, Kathi Ross, Nancy London, and Polly Currier. Rear, Dave Gordon, Supt of Schools; Steve Coolidge; Miss Nylin and Steven McCue

APPOINTED OFFICIALS BEING SWORN IN: L to R Dave Gordon, Supt of Schools; Jim Lynch, Wally Neal, Mike DeGregario and Billy Irwin, all of the Recreation Committee.

Members of the High School Student Government feel that the concept of Student Government is good, but there was room for improvement in the program, as it was carried out in the past few weeks.

The met in the school Monday afternoon for a review of their activities. Not all could be present, but the greater part of them were.

The students feel that Student Government should in incorporated into the high school program. It should run, they think, from September to June, as other activities are, and that it would be valuable to rotate the members of the committees, to give more students a chance to participate.

Other advantages, to such a longer program, they felt, was that the individual members would have more chances of preparing themselves, before they met the town officials, and also that so much activity would not be crowded into the middle of the school year.

Some of them felt that they did not really understand what Student Government was all about until they were well into the program. One student said that he really did not take Student Government activities seriously in the beginning, but that now he feels that it was a personally rewarding experience. Others agreed with him, and commented that he had done a good job, once he became acquainted with the program.

The students agreed with one who said that 'the experience of being involved with Student Government was different from their studies, because it prepared them for community living, while their studies in the high school were more of a background for their future education.

They felt that the experience of meeting with town officials was good, but realized that they did not get the entire picture, because they did not have time to visit other departments of the town. They reasoned that, if they had an idea of how the departments related, they would have had a chance to more thoroughly prepare for their official meetings.

The tours of the Fire and Police Departments, the felt, was valuable. They would like to extend the Police tour, by a visit to a Court.

The students were unanimous in that they were greeted cordially by the town officials, and were listened to, but they were concerned that some of their ideas were not taken seriously. The idea was that nothing could be acheived by Student Government if it were only 'fun and games'.

SPRING TRACK

The Varsity ran against the Falcons of Danvers High this past Monday afternoon in a practice dual meet at Danvers. The sprinters, namely Mike Esposito Rick Weed, and an encouraging performance by Mike Curran, showed well for the Wildcats. Others who turned in creditable performances were Rick Smallidge, low hurdles; Carl Cotter and Len Sawyer in the Shotput and Discus.

At this point in the season, the team needs work in the distances if they are to improve their position in the standings. The boys may run again in competition this Saturday morning in Methuen. A scrimmage meet is listed for Monday with Lawrence Central, with the conference opener scheduled for next Thursday at home against Chelmsford.

BASEBALL

Two senior infielders and a jr outfielder are the only returning players who were with the Varsity for the brunt of the 69 Season. Second baseman Mark Drugan and third baseman Frank Leverone after spot duty last year will comprise half of Coach Gilligan's infield this season. Tom Mirisola, the Team leader in hitting last year with a .333 average, will be in centerfield for the Wildcats this season.

Infielders up from the JV Squad who figure to see considerable action with the club include Senior, John McNevin at first base; juniors Tom Beaton shortstop, and Jim Irwin third and second base.

Three additional Jayvee performers of a year ago will be out to crack the starting nine as outfielders. They are Senior Bob Capozzi, and juniors Steve Catalano and Hal Stewart.

The battery department is inexperienced as far as Varsity competition is concerned with Senior Bob Materese, a junior varsity player in 69; sophomores Bob Noel and Tom Southmayd, eac a member of the Freshmen squad of a year ago, all vieing for the number one catching job

Pitchers up from the JV Team who figure to help the club include juniors Rich Gerty, who posted a 2-1 record last year, and lefty Bill Gustus, who was 4-4 a year ago. Senior lefthander Terry McKenna, after a two-year layoff is attempting to nail down a spot on the Wildcat staff this season. McNevin and Drugan may see action on the hill for Coach Gilligan, if the occasion should arise.

In a practice game this past Monday afternoon, Stoneham posted a 3-0 six-inning win over the varsity on a cold and windy day. Neither team did much slugging in the 40-degree temperatures as only three singles were recorded, all of which were made by the Spartans.

Summary:

Stoneham 0 0 i 0 2 0 - 3
Wilming. 0 0 0 0 0 0 - 0

S: McDowell, Mudge (4), Anderson(5) & Timberly, DiSimone (5)
W: Gearty, McKenna (3), Gustus (5) & Materese, Noel (3)

Other practice games left on the Wildcat Schedule include tomorrow afternoon's affair with Austin Prep, game time listed for 3:30 at the High School Field and Saturday morning's game at Masconomet at 10:00 a.m.

Coach Gilligan is ably assisted by former Lowell State Athlete Len Gagnon, who will handle the Jayvees, and Freshmen Coach Al Stone, A Salem State grad.

## MARTHA BALLOU CAPPED

Martha Marie Ballou, the daughter of Mrs Catherine Ballou of 35 Park Street proudly received her white nurse's cap at a candlelight ceremony on Thursday evening, March 19, at the Goddard Chapel on the Tufts University Campus.

Martha is a freshman nursing student at the Lawrence Memorial Hospital of Medford School of Nursing and graduated from WHS.

## MIDDLESEX BANK OFFICES TO BE IN BURLINGTON

Execution of a Purchase and Sale Agreement involving approximately seven acres of land on Route 128 at New England Executive Park, in Burlington, has been announced by the Middlesex Bank, N.A., the purchaser, and the New England Executive Park, a joint venture of the New England Mutual Life Insurance Company and Spaulding & Slye Corporation, the seller.

The site is to be used for a new Head Office building, for the Bank, which will relocate its executive offices from Everett. The Head Office move has already received the initial approval of the Comptroller of the Currency. Actual construction will begin on receipt of the Comptrollors' final approval of the Bank's plans.

The contemplated high-rise office building will have eleven stories totalinng approximately 110,000 square feet, of which the bank will initially occupy 40). The architect is Welton Becket and Associates of New York City. Middlesex Bank N. A. with total resources in excess of $200 million is the largest bank in Middlesex County and the seventh largest commercial bank in Massachusetts. It has 25 offices serving 15 Middlesex cities and towns.

## DRUG PROGAM PLANNED FOR MAY 5TH

A Drug Abuse Program is to be presented, in the High School, for adults, on May 5th by the Wilmington High School Drug Committee. This is to take the place of the program originally scheduled by the Board of Health on April 8th. The program is to begin at 8 pm.

The speaker is to be Dr. Benjamin Hershenson of the Massachusetts College of Pharmacy. His topic will be 'Drug Abuse. Understanding the Problem'.

The Wilmington Board of Health has endorsed the program for persons interested in the health and well-being of themselves and their children. Questions should be directed to Harold Garrett, Assistant Principal of the High School.

# Any of your friends Joined Us Lately?

## There are plenty of good reasons.

*In the past few weeks 81 people have joined Compugraphic. Chances are, if you talked to these people, you'd get 81 different reasons why Compugraphic was their choice. But our highly competitive salaries and exceptionally liberal benefits count substantially. The fact that we are responsible for over half of the world's computerized photo-typesetting systems also presents our employees with an opportunity to become involved with the growth leader in a fast-growing industry.*

And, there are the people - friendly, helpful, alway willing to extend a helping hand to a *new* fellow worker. They are the kind of people you count as your friends.

*As we said, there are plenty of good reasons for joining Compugraphic. The jobs listed below can offer you more:*

### ■ WIRERS & SOLDERERS

Some previous experience is required to wire and solder harnesses to racks to form the basic block of our computer. Work does NOT involve the use of a microscope or magnifying glass.

### ■ IN-PROCESS INSPECTORS

Experienced wirers and solderers would be ideal for this position also. The position requires inspection of wired racks prior to final assembly.

### ■ HARNESS & CABLE MAKER TRAINEES

To layout and tie wires. These training openings are an excellent opportunity for someone who wants to work in electronics but has no previous experience.

### ■ PRINTED CIRCUIT CARD ASSEMBLY TRAINEES

This is light bench assembly of printed circuit boards. The atmosphere is congenial and the work is simple. You'll no doubt, find one of your neighbors working here with us. These are ideal positions for housewives with children now in school.

**OTHER OPENINGS INCLUDE:**

Mechanical Design Draftsman
Engineering Technicians
Digital Systems Technicians
Data Terminal Operator
Clerk Typist (40 wpm)
Digital Service Engineers
Keypunch Operators
Traffic Co-ordinator
Cost Clerk
Mechanical Assemblers
Electrical Assemblers
E/M Inspectors
PC Platers
PC Screeners
Stock Clerks
Accounting Clerk
Purchasing Expeditor
Shipper/Receiver

**Type Design Artist**

Applications are also being accepted for future trainee positions in all areas. If you have aptitude and interest there may be a postition coming up which will be just right for you.

*If you would like us to send you information about Compugraphic, call Pam Mueller, Sandra Johnson, at 944-7806.*

# Donna Oullette is Bride

Miss Donna Louise Ouellette, the daughter of Mr and Mrs Alfred G. Ouellette of 4 Westdale Avenue became the bride of Edward Timothy Holder, son of Mr and Mrs Ralph Holder of 5 Paula Street, Burlington, in a 3 pm ceremony held at St. Thomas Church on March 1st.

The soloist was Mrs. Alice McKenna, accompanied at the organ by Mrs Estelle Shelley, and she sang Ave Maria, Mother at Thy feet is Kneeling, and the Lord's Prayer. The Rev. Francis W. Mackin united the couple in marriage. The bride was given in marriage by her father.

The bride approached the altar in a Martha Washington style gown, with five tiers of old fashioned lace train, converted to a bustle Her veil, of elbow length, was attached to a five petal lace crown, fashioned of bells with seed pearls and sequins, and she carried her mother's Bible, covered with a white orchid surrounded with Stephanotis, Lily of the Valley and white roses.

Mrs. Marcia Sawyer of Billerica, sister of the bride, was the Matron of Honor, and the bridesmaids were Miss Caryn Gaffney of Berwyn, Illinois, a cousin of the bride, Miss Patricia Graves of Wilmington, best friend of the bride, and Miss Donna Fucile of Somerville, a cousin of the groom.

Miss Kristine Monagle of Somerville, a cousin of the groom, was the flower girl.

Robert Holder of Burlington, a brother of the groom, was the best man, and the ushers were Wayne Sawyer of Billerica, brother-in-law of the groom. Edward Herman of Burlington, friend of the groom, and Edward McGuinness of Wilmington, friend of both the bride and groom.

The Ring Bearer was Frank Kennedy, a cousin of the bride, from Hudson, New Hampshire.

The Matron of Honor was gowned in a blue velvet empire dress, with a light blue organdy trim. Her Philips neckline was of lace, and the bridesmaids were also in Empire style gowns, of rose velvet trimmed with light pink, and with Philips neckline of lace.

The flowergirl was in a matching costume to the Matron of Honor.

The attendants had headpieces of velvet bows, to match, and light color veils, and carried bouquets of matching carnations. The flowergirls flowers were also matching carnations.

A reception was held in the Elks Hall, in Woburn, catered by the Bon Appetit Caterers of Wilmington. The hall was decorated with large wedding bells, graduating to small ones, throughout the hall. Music was by the Villagers, of Chelmsford.

The guest book was in charge of Miss Leslie Holder, sister of the groom, and Miss Debra Gaffney, cousin of the bride.

The bride's mother, for the receiving line, chose an aqua dress and coat ensemble, with matching accessories, and a mink stole, and white orchid. Mrs. Holder was in a gold brocade dress and coat ensemble, and had a white orchid.

For her gowing away ensemble the bride chose a tan Camel Hair walking suit, dark brown accessories, and a white orchid, taken from her bouquet.

The honeymoon was spent in the Pocono Mountains, Honeymoon Haven, Pennsylvania, and a motor trip through Pennsylvania and Vriginia.

The couple are now at home at 11 Fairmount Street, in Chelmsford

The bride is a 1968 graduate of Wilmington High School, and of the Solari School of Hair Design in Lowell, and has been employed by Bon Appetit Caterers of Wilmington. Mr. Holder is a 1967 graduate of Burlington High School, and is a foreman at JacPac, in Watertown.
